■ A NOTE FROM TARA WEST

Thanks so much for downloading the free High Frequency Words supplemental packet: Cut, Sort, Paste Sheets. This packet offers 260 engaging sheets designed to offer an engaging way to practice high frequency words for Units 2-6. The sheets can be placed into a literacy center or small-group environment. Students will sort and paste the words. They also work well for intervention settings and at-home practice. If you have any additional questions as always, feel free to email me at littlemindsatworkllc@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
