The image contains a word search puzzle. In the center, a large black-bordered rectangle contains the word "in" in a bold, lowercase, sans-serif font. Surrounding this central box are numerous instances of the words "it", "in", and "if" in a smaller, italicized, lowercase, sans-serif font. The words are scattered across the page, some appearing horizontally, some vertically, and some at an angle. The words "it" and "if" appear approximately 15 times each, while the word "in" appears approximately 15 times. The overall layout is designed for a child to search for the word "in" among the other words.

A word search puzzle featuring the word "men" in a central box. The word "men" is written in a large, bold, black font. Surrounding this central box are various instances of the words "bed", "ten", and "men" scattered across the page. The words are written in a simple, black, sans-serif font and are tilted at various angles. The central box is a simple black rectangle.

Name:

Directions: Search and find the focus high frequency word.

The image contains a word search puzzle. In the center, the word "bed" is written in a large, bold, black font and is enclosed within a black rectangular border. Surrounding this central box are numerous smaller instances of the words "bed", "men", and "ten", scattered across the page in various orientations (upside down, sideways, and at angles). The words are in a simple, black, sans-serif font. The background is plain white.

A word search puzzle featuring the words "my", "why", and "by" scattered around a central box containing the word "by". The words are written in a simple, lowercase font and are tilted at various angles. The central box is a large square with a black border, and the word "by" inside it is significantly larger and bolder than the other words. The words are distributed as follows:

- Top row: my, by, by
- Second row: why, why, my, by, my
- Third row: why, my, why
- Fourth row: my, my, why
- Fifth row: why, my, why
- Sixth row: by, my
- Seventh row: my, why, by, by, why
- Eighth row: my, why, my, why
- Ninth row: my, by, my, by
- Tenth row: why, by, why, by
- Eleventh row: why, why, why

The image displays a word search activity. At the center is a large, bold, black-outlined rectangle containing the word "read" in a very large, bold, black font. Surrounding this central box are various instances of the words "clean", "read", and "please" in a smaller, regular black font. These words are scattered across the page, some appearing horizontally, some vertically, and some at an angle, creating a word search challenge. The words "clean" and "please" are repeated multiple times, while "read" is also repeated several times, though one instance is significantly larger than the others.

Name:

Directions: Search and find the focus high frequency word.

The image contains a word search puzzle. In the center, the word "please" is written in a large, bold, black font and is enclosed within a black rectangular border. Surrounding this central box are numerous smaller instances of the words "clean", "read", and "please", scattered across the page in various orientations and sizes. The words "clean" and "read" appear in black, while the word "please" appears in a lighter gray color. The background is white.

The image is a word search puzzle. In the center, the word "bought" is written in a large, bold, black font and is enclosed within a black rectangular border. Surrounding this central box are numerous smaller instances of the words "bought" and "boy". These words are scattered across the page in various orientations (horizontal, vertical, and diagonal) and sizes. The word "bought" appears approximately 15 times, and the word "boy" appears approximately 15 times. The background is plain white.

Name:

Directions: Search and find the focus high frequency word.

A word search puzzle featuring the words "thought", "bought", and "boy" scattered around a central box containing the word "thought". The words are written in a simple, sans-serif font and are oriented in various directions. The central box is a large rectangle with a thick black border, and the word "thought" inside it is significantly larger and bolder than the words scattered around it. The scattered words are arranged in a way that they appear to be floating or scattered around the central box, with some overlapping the box's border.
