Thanks so much for downloading the free Numbers Clip Wheels. This packet offers 22 number clip wheels. These number 0-10 clip wheels can be used in multiple settings: whole-group instruction, small-group instruction, independent math center, and/or at-home supplement. Students will say the number and clip all the matching numbers around the wheel. A second version is included to practicing subitizing numbers to 0-10. Optional: Print on color paper or print the wheels 2 to 1 sheet of paper. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
