

## ■ A NOTE FROM TARA WEST

Thanks so much for downloading my Quick-Tasks: Addition and Subtraction packet. This packet offers 132 task cards designed to offer an engaging way to practice addition and subtraction. Students will grab a card and manipulatives to solve the equation. Students will then record the equation on the corresponding response sheet. The task cards can be placed in a math center, used as a whole-group lesson, or small-group environment. If you have any additional questions as always, feel free to email me at [littlemindsatworkllc@gmail.com](mailto:littlemindsatworkllc@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
