

Editable posters

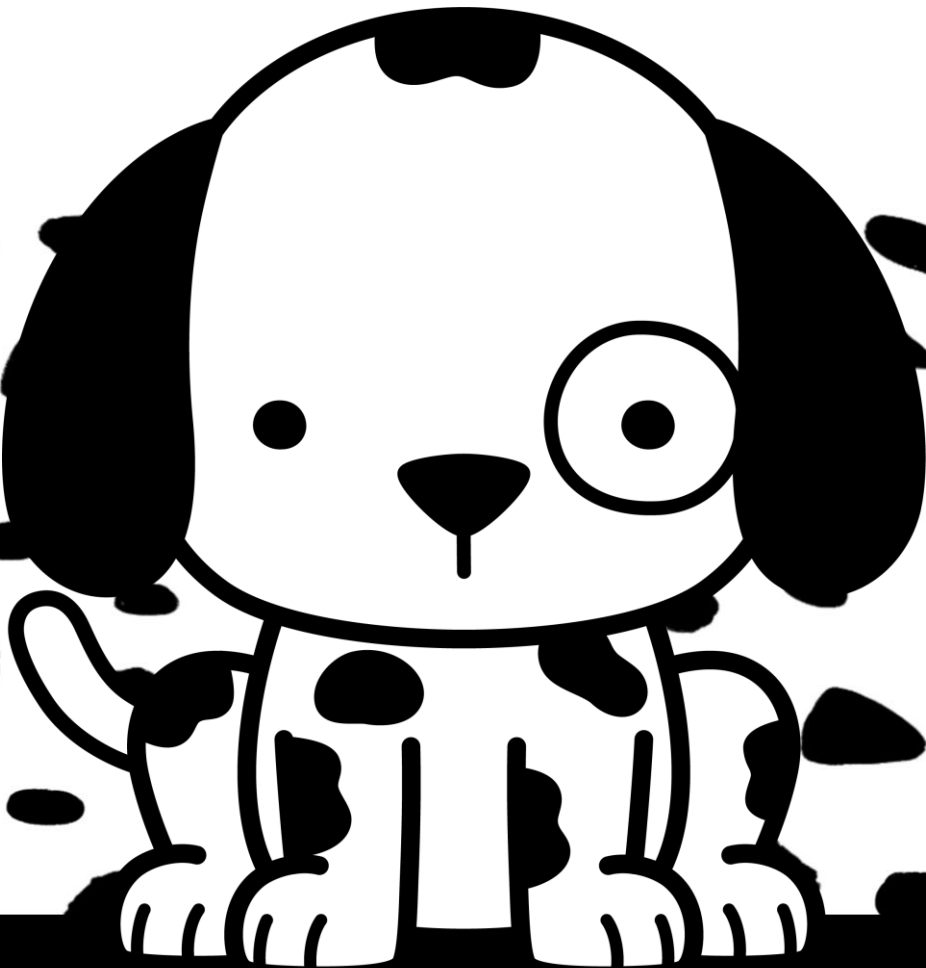

Access the editable **ADOBE AUTO FILL** version [HERE](#). Click the white download arrow in the upper, right corner. This will open the file in Adobe Reader. This is an Adobe Reader editable document so it must be opened in Adobe. The file will most likely only be editable on a computer. **NOTE:** This version has restrictions on character length.

Access the editable **POWERPOINT** version [HERE](#). Follow the downloading instruction from above. After you make your edits, be sure to save the file as PDF for the best printing.
