

PIP THE PUP

SCAVENGER HUNT

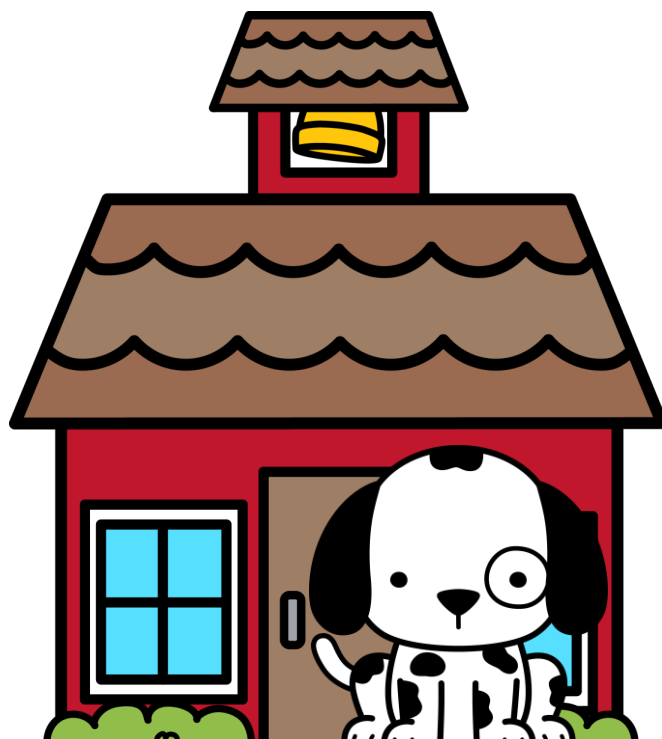

Pip the Pup Back to School Scavenger Hunt | Overview

Thanks so much for downloading the Pip the Pup Back to School Scavenger Hunt packet! This packet is designed to offer an engaging way for students to explore their new school with the help of Pip the Pup. Pick and choose from the included school location cards. Discard the cards that do not apply to your students or school. Prior to the scavenger hunt, place the cards around the school. Think ahead about the order which you will navigate around the school. You can choose to write that down on a post-it note. Begin the scavenger hunt by reading the "Oh, Pip" card. Travel around the school while reading each clue. Take time in each location to get students acquainted with the school staff, rules for that area, and/or things found in that area.

End the scavenger hunt by returning to your classroom. Students will then find an additional note from Pip the Pup. You can choose one of the two ending versions. You can leave a possible surprise for the students including: a snack, the including coloring sheet, and/or another surprise of choice.
