I Am Special!

Adventures With Pip the Pup

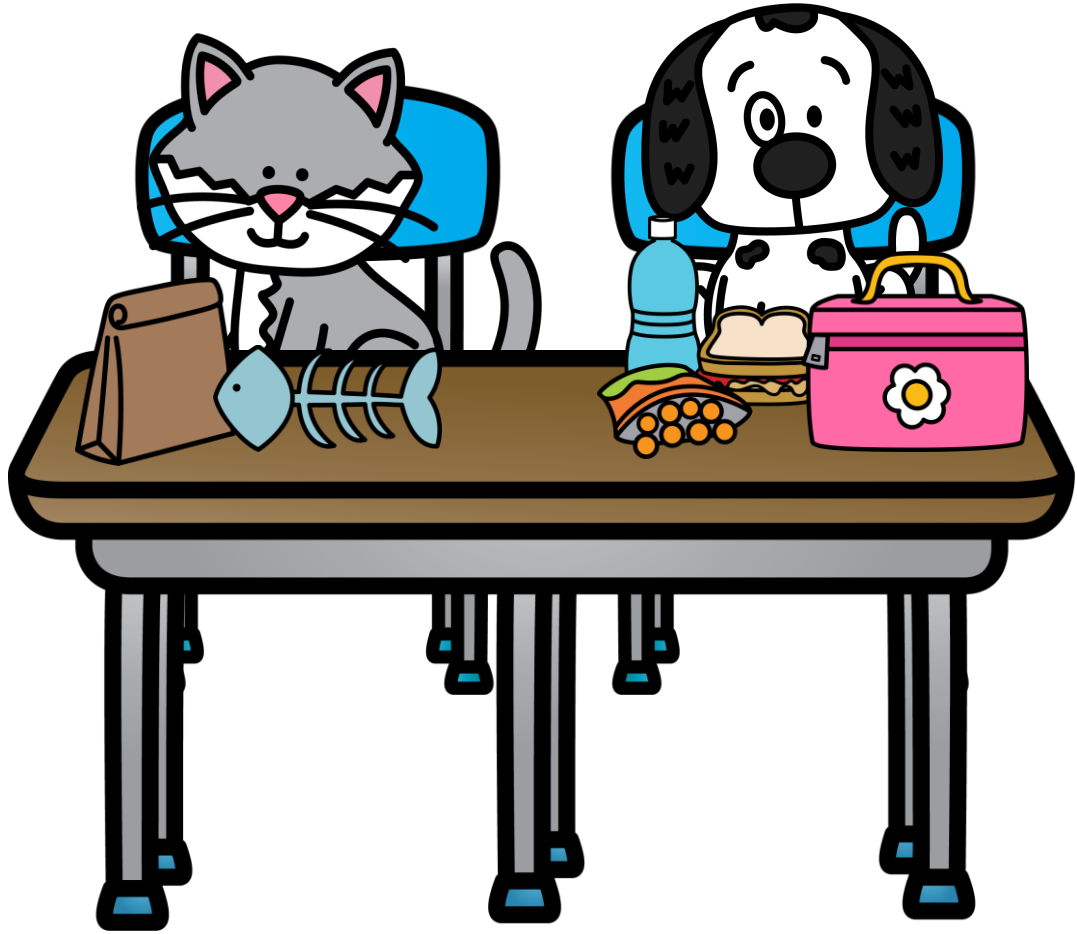

Hi! I'm Pip the Pup, and I am happy you are here today to listen to my story. I have something important to share.

At school I have a lot of friends. This is Tom Cat and Tabby Cat. I bet you have a lot of friends, too.

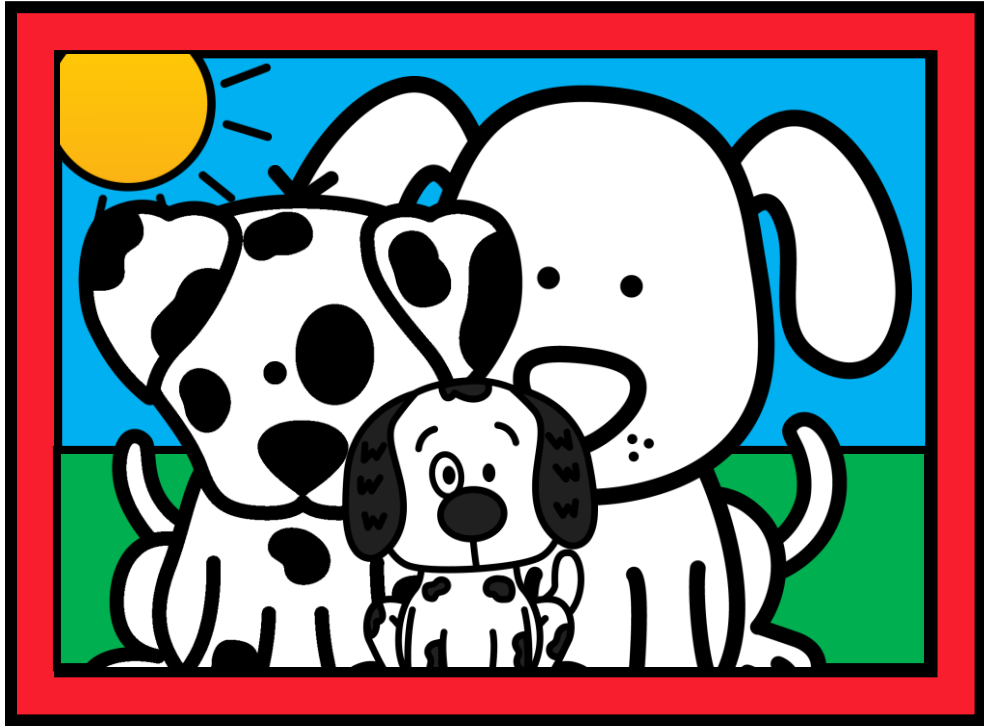

**Tom Cat and Tabby Cat
play and run just like me,
but do you know what?
All three of us are
unique and special, too.**

**Tom Cat and Tabby Cat
like to eat fish, but I
don't like fish. I like PB
and J, but they don't. It's
okay to be different.**

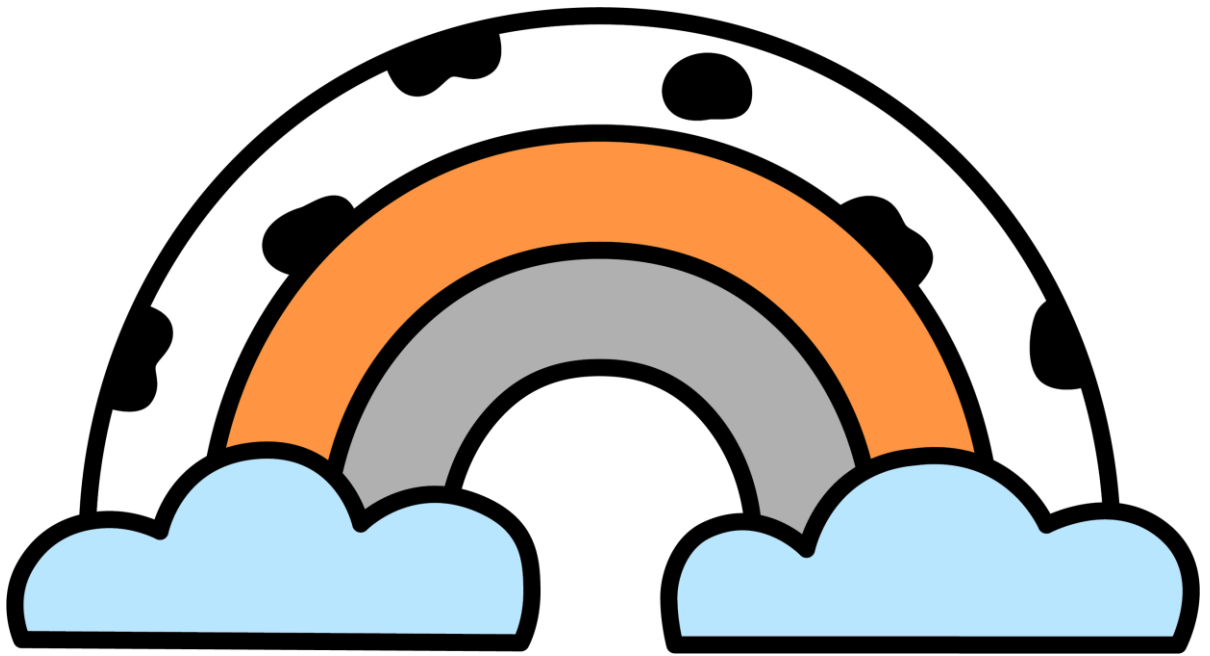

You might notice that we also look different from one another. Look! I have spots and Tabby has stripes.

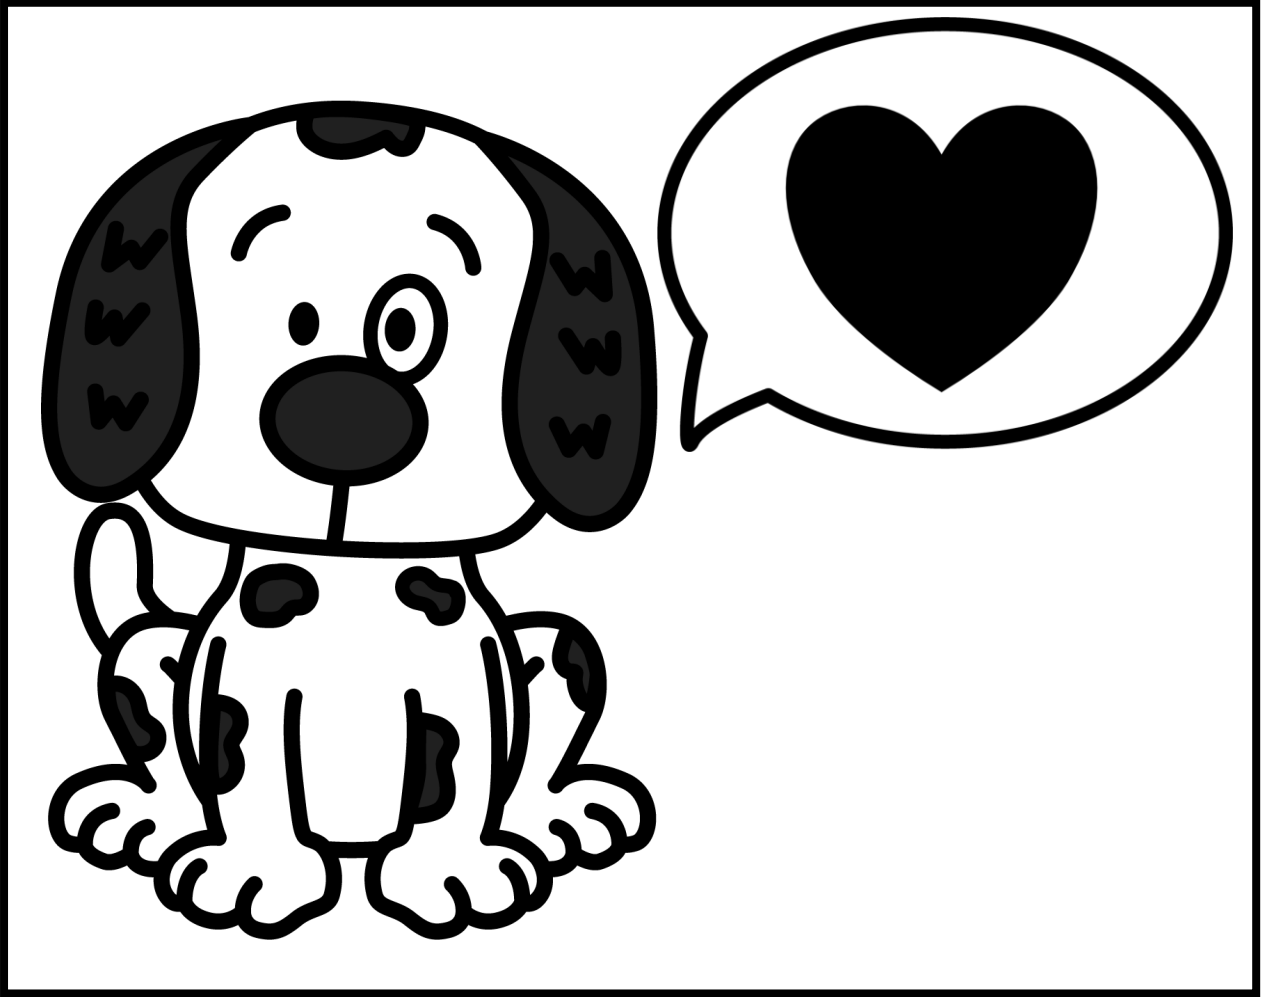

**It's okay to be different.
That's what makes us
special. We are proud of
our differences and
where we come from.**

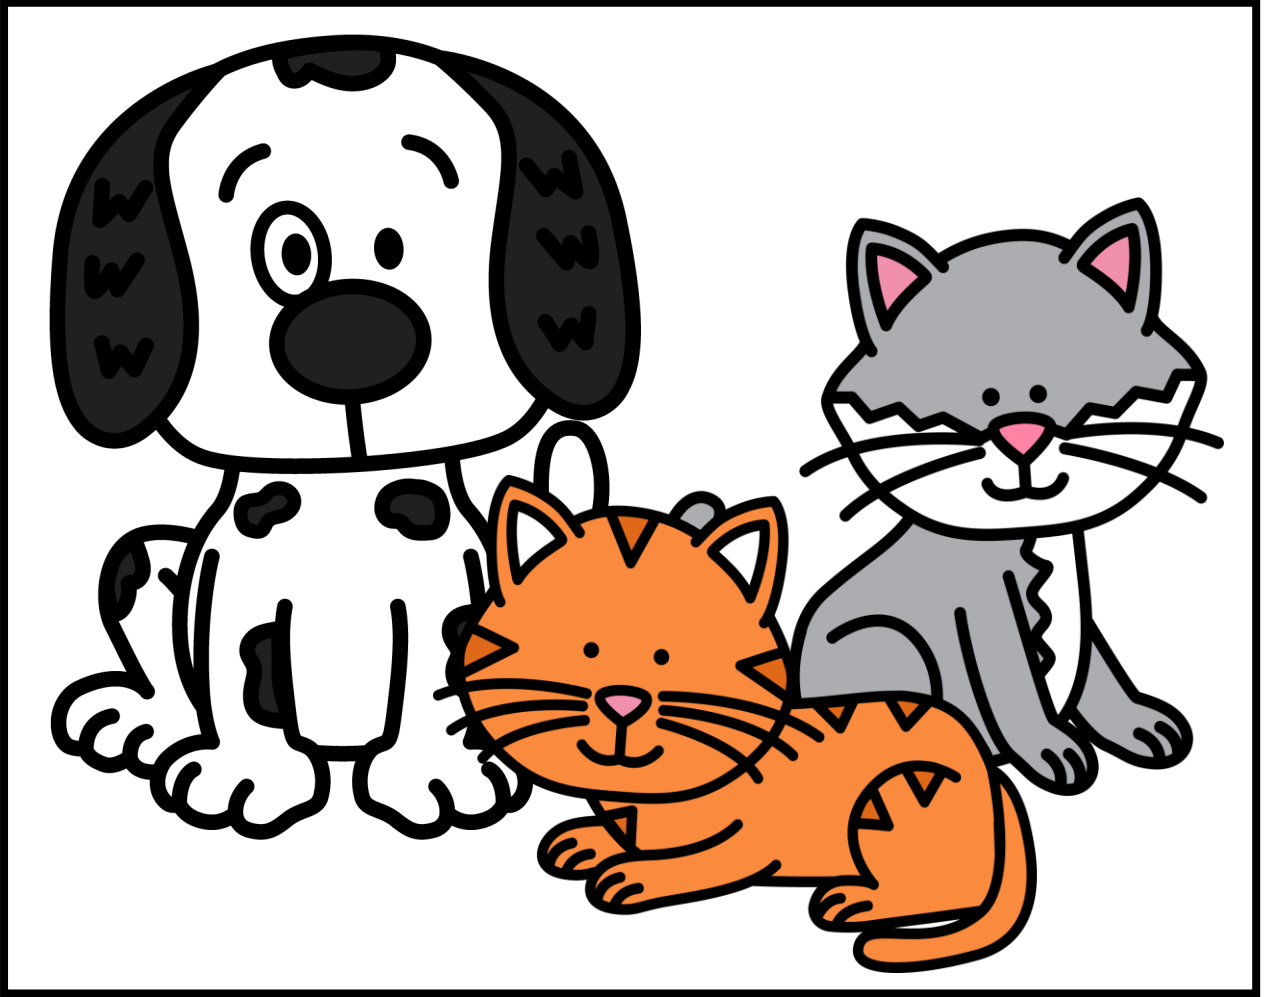

My mom tells me that my fur is like wrapping paper. My true gift is what's inside of me. Can you spot me?

As a class, we make a beautiful and colorful rainbow. When we come together, we are a rainbow of possibilities.

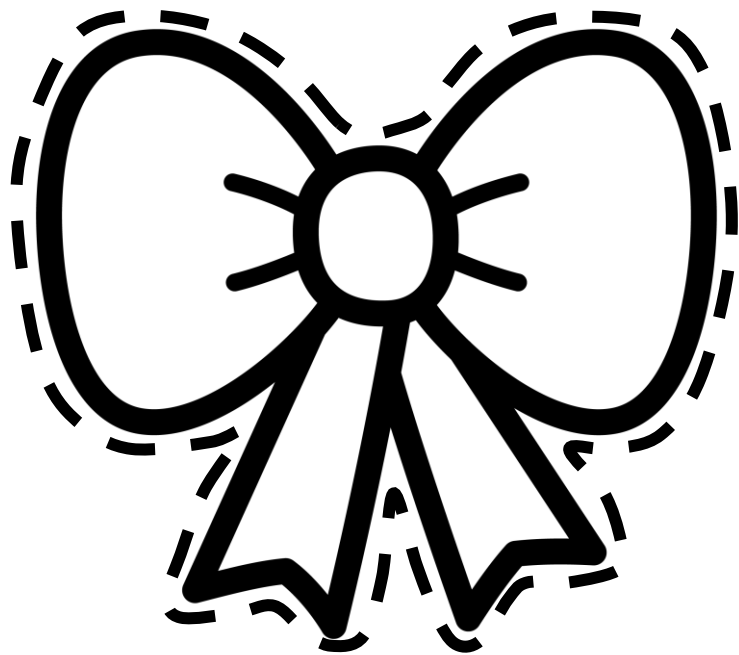

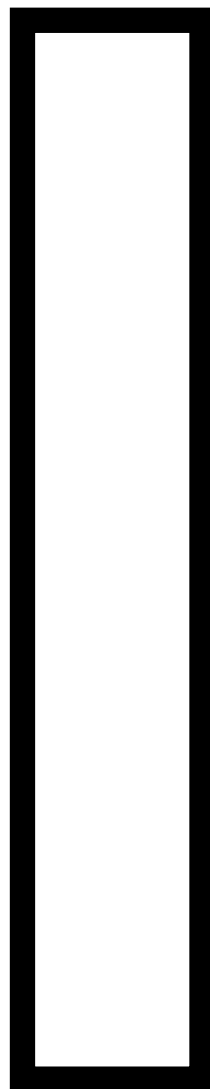

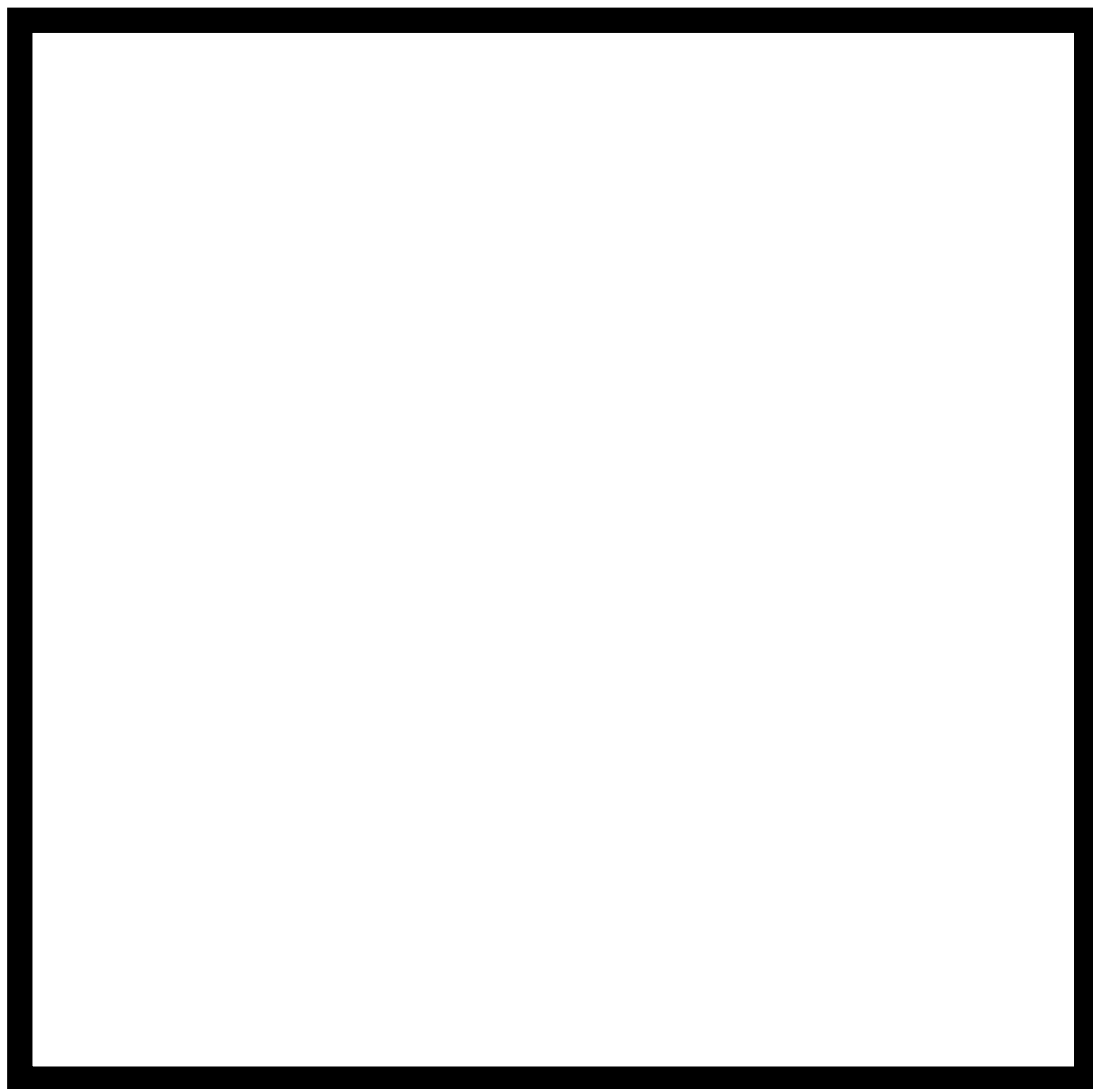

I want you to know something important. We all have a lot of love and kindness to give. We just have to show it!

I challenge you to be a kind and compassionate friend. Notice what makes friends unique and love them for that!

Unique Gift Craft: Print the Pip the Pup gift template. Students will decorate their gift template to represent their unique self. Students will add the ribbon and bow to the gift template.
