

ADDITION AND SUBTRACTION

A NOTE FROM TARA WEST

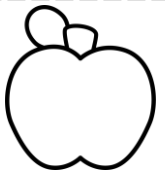

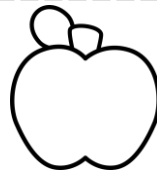

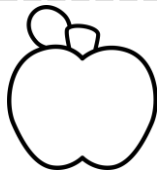

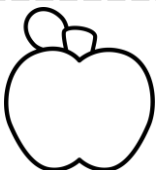

The Computation Problems packet offers 10 all-in-one sheets designed to give students an engaging way to practice addition and subtraction equations within 10. Each sheet integrates an equation to solve, ten frame, equation statement box, horizontal number path, and an additional space for an illustration, and/or cut and paste images. This packet can be used as an independent math center, whole-group math component, math intervention, and/or as additional practice for early finishers. If you have questions as always, feel free to email: littlemindsatworkllc@gmail.com, follow me on [Facebook](#), or visit my website, [Little Minds at Work](#).
