

■ A NOTE FROM TARA WEST

Thanks so much for downloading the free Hands-On and Engaging Learning packet: Apple Themed Write It Picture Strips. This packet offers 48 hands-on and engaging strips. These strips can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent literacy center, and/or at-home supplement. Students will use the picture strips as they write each matching sound/word. You can choose to have students follow-up with the response sheet. If you have any questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
