

Back to School Treat Bag Tags

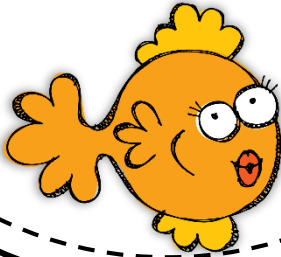

Thanks so much for downloading my freebie back to school treat bag tags! These treat bags are quick, easy, and reasonably priced to make...all positives for our busy back to school time. You will need to print the included tags and gather a few supplies; cellophane bags {can be found in the party goods section}, ribbon, whole-puncher, and Goldfish crackers. Fill each baggie with Goldfish crackers, whole-punch the tag, place the tag on the ribbon, and lastly...tie the ribbon around the baggie.

Included in this freebie you will find tags for multiple grade levels. I have also included color and black/white versions to choose from. I hope you enjoy this freebie and as always if you have questions feel free to email me at taradc87@Hotmail.com. Thanks so much!

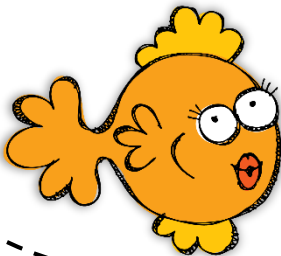

Jara West
