

■ A NOTE FROM TARA WEST

Thanks so much for downloading my free math supplemental packet: Gumdrop Number Ordering Cut and Paste Sheets. This packet offers 3 hands-on and engaging cut and paste sheets. These sheets can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent math center, and/or at-home supplement. Students will cut and paste to order the numbers. Students will then write to order the numbers. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
