Frogs Centers ■ Literacy and Math Centers

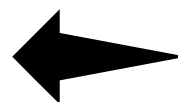

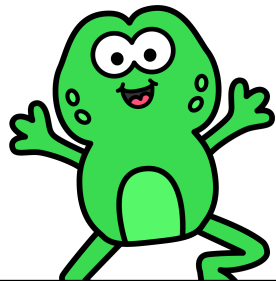

The Frogs phonics and math centers are designed to give students a hands-on and engaging way to practice the letters of the alphabet, beginning sounds, CVC words, digraphs, beginning blends, long vowels, numbers to 20, and fine motor. This packet offers 5 literacy centers and 5 math centers. These literacy and math centers can be used for whole-group instruction, morning work, early finishers, for your small-group reading instruction, intervention blocks, and of course as independent centers. The centers can also be printed 4 pages to 1 sheet. This will allow the centers to be used as task cards.

Included Material:

- 5 Frogs-themed literacy centers
- 5 Frogs-themed math centers
- aligned "I can" cards
- corresponding response sheets
