Fine Motor Count Up Mats

Thanks so much for downloading my FREEBIE Fine Motor Count Up Mats. This packet is designed to offer an engaging and FUN way to build fine motor and counting skills! This packet can be used to strengthen fine motor skills, explore during morning work or used as supplemental math centers. The packet is broken down into 10 different mats for months September-May. The mats are each designed to maximize student engagement and offer a chance for students to practice counting. The packet includes 90 fine motor count up mats.

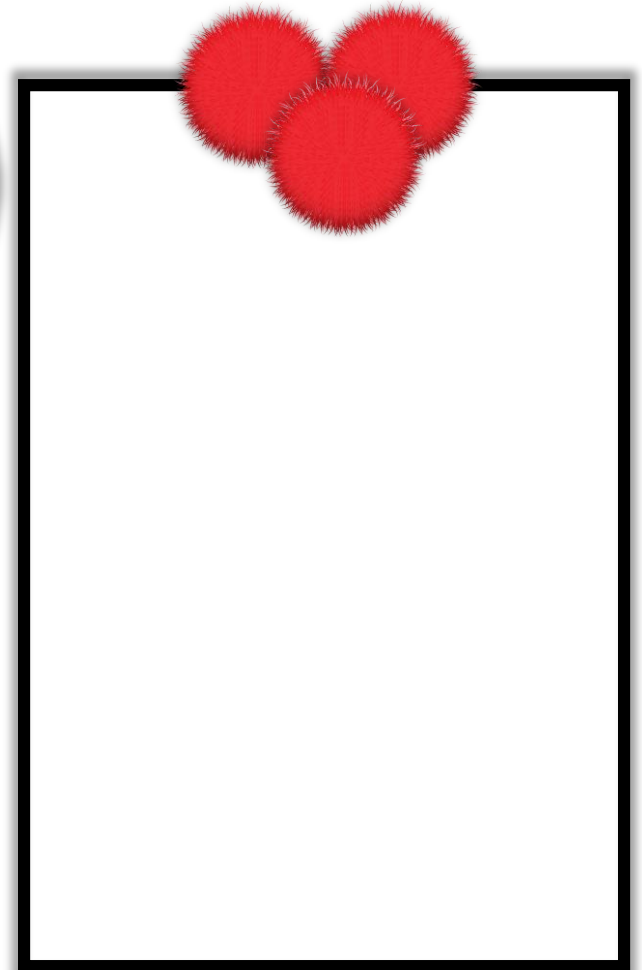

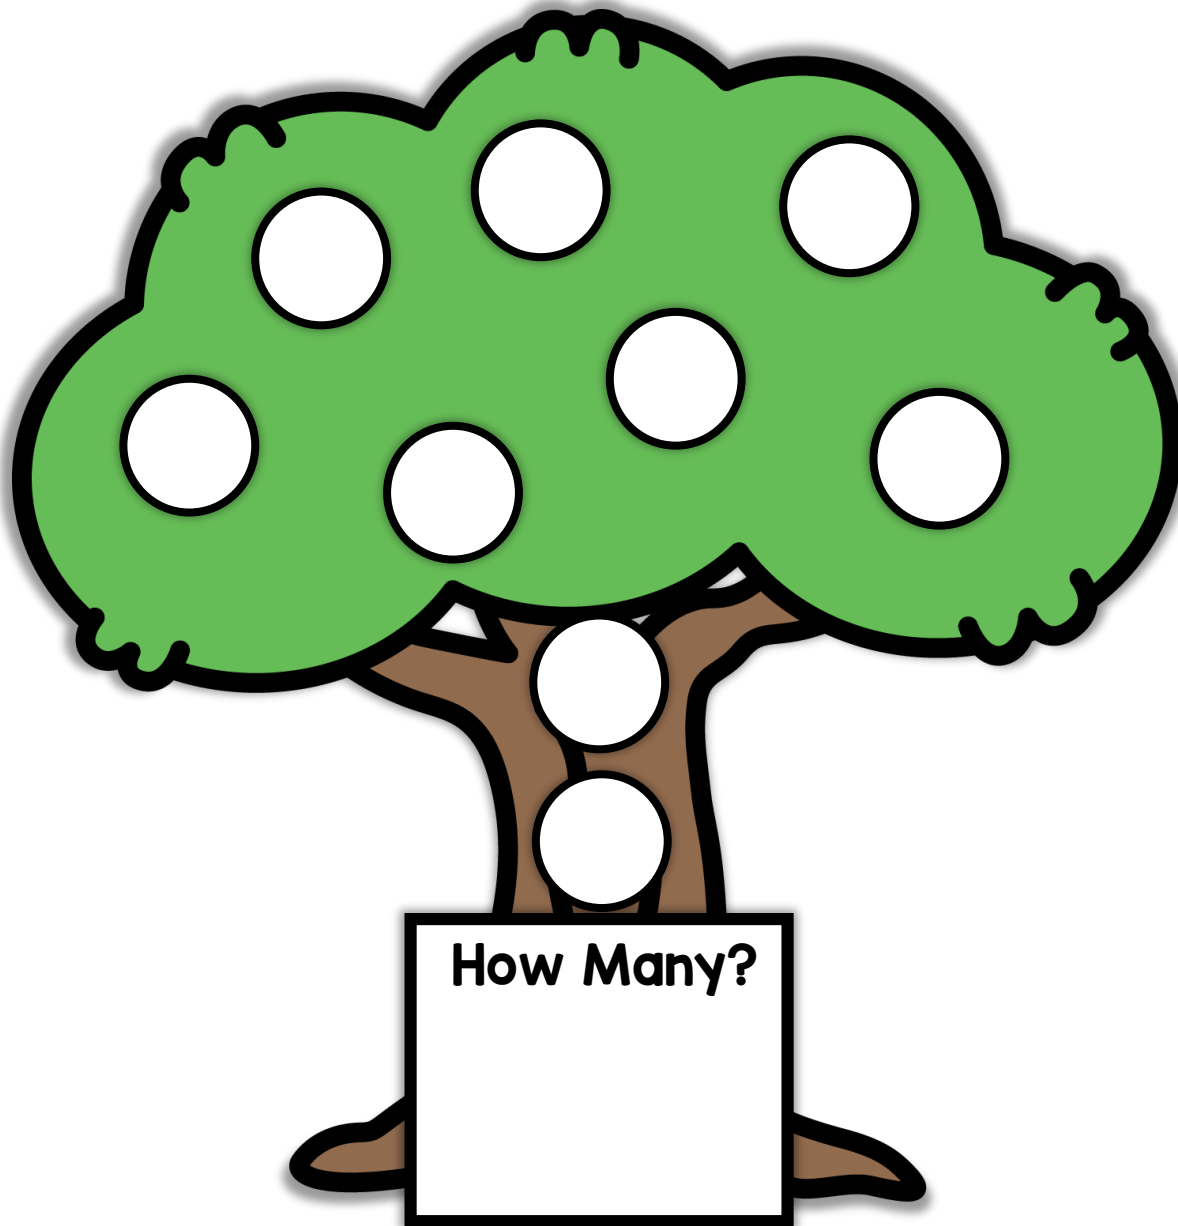

The students will first complete their picture using fuzzy poms. Next, they will transfer the poms over to the larger box. Lastly, they will count the total number of fuzzy poms and write that number in the box below. You can laminate these sheets or create a Fine Motor Count Ups binder. Place all of the mats into sheet protectors and insert into a binder. This will be a "mobile" center and offer endless opportunities! The mats can be printed two or four to a page if you wish. THESE fuzzy poms will still work create if the mats are reduced in size!
