THEMATIC NUMBER SHEETS ■ Hands-on and Engaging Practice

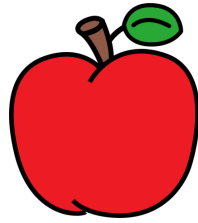

Thanks for downloading the free Numbers Themed Practice Sheets. This free download offers 20 themes and complete practice sheet sets for numbers 0-20 in each theme and over 400 pages. The themes are designed to offer you a chance to use these sheets throughout the entire school year. Keep in mind, the thematic imagery is what changes for each set. These sheets can be implemented in your whole-group math blocks, intervention, or as an independent center option. Students will say the number, trace the number, color the number, search to find the number, and independently write the number.
