

A NOTE FROM TARA WEST

This is a set of 26 alphabet search it cards. These cards give students an opportunity to practice the alphabet in a hands-on and engaging way. The students will get the opportunity to clip or cover the matching letters. Students will have to clip or cover the corresponding letters amongst the distractor letters. A black and white version is included for budget saving prep. The cards can also be printed two or four sheets onto one sheet to save ink and paper.
