## Guess My Letter Freebie

Thanks so much for downloading this freebie packet. This freebie was inspired by a member in the [Little Minds at Work Facebook Group](#). Teachers requested that I compile a set of alphabet cards that would be formatted to work with the popular guess this boards. Please note that you can choose between using lowercase letters in your boards, capital letters in your boards, or the capital/lowercase version in your boards. You can download an EDITABLE version of the cards to add in your own skills by clicking [HERE](#). This free file is hosted on Google Drive. You will click the link and then click the white download arrow in the upper righthand corner. Below you will find a list of optional prompts students can ask their partner to guess their letter. Please note this type of game will need to be modeled prior to students playing independently. You can model during a guided reading group or small group at the learning carpet.
