A close-up photograph of a bumblebee on a yellow flower. The bee is positioned diagonally, with its head towards the bottom left and its abdomen towards the top right. Its wings are partially spread, showing intricate vein patterns. The bee's body is covered in fine hairs and is dusted with yellow pollen. The background is a soft, out-of-focus yellow, suggesting a field of similar flowers. In the lower foreground, the letters 'Bb' are displayed in a large, white, sans-serif font with a thick black outline. The 'B' is on the left and the 'b' is on the right, both partially overlapping the bee and the flower.
