**STROKES**

Slants

Directions: Trace the stroke.

A 4x10 grid of slanted lines for tracing. Each line starts with a black dot at the top right and ends with a red dot at the bottom left. The line is composed of three segments: a red dotted segment at the bottom left, a yellow dotted segment in the middle, and a green dotted segment at the top right. A small black arrow next to each line points downwards and to the left, indicating the direction of the stroke.

Hills

Directions: Trace the strokes.

A 4x7 grid of tracing exercises. Each exercise consists of a black dot at the bottom left, a vertical line of five green dots, a curved line of ten dots (green on the left, yellow in the middle, red on the right), and a vertical line of five red dots at the bottom right. A black arrow points upwards from the black dot, indicating the starting point and direction for the stroke.
