

■ A NOTE FROM TARA WEST

Thanks so much for downloading my free CVC Word Builder Successive Blending cards. This packet offers 136 word building (successive blending) cards. Students state the first sound, the first two sounds, and then the entire word. These cards can be used during your whole-group phonics instruction, small-groups, intervention, or as an independent center option for students to work on fluency of reading CVC words. It is recommended that students blend the word back together in the final step. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
