HANDS-ON AND ENGAGING

# CVC Search It Cards

## What are the CVC Search It Cards?

Thanks so much for showing interest in my CVC Search It Cards. This is a set of 40 CVC sound search it cards. These cards give students an opportunity to practice CVC words in a hands-on and engaging way. The students will get the opportunity to clip or cover the matching CVC word. Students will have to clip or cover the corresponding CVC word amongst the distractor words. A black and white version is included for budget saving prep. The cards can also be printed two or four sheets onto one sheet to save in ink and paper. If you have additional questions about this packet you can reach out to me directly at [littlemindsatworkLLC@gmail.com](mailto:littlemindsatworkLLC@gmail.com)
