INSTANT Fine Motor CVC Word Mats

This packet is designed to offer an engaging and FUN way to explore CVC words! This packet can be used to supplement your phonics block, early finishers, fine motor bins, intervention block, or as literacy centers. The mats are designed to maximize student engagement and offer a chance for students to practice each of the 80 included CVC words. This packet is a simple print with black and white versions. You can also choose to print the mats on color paper. Select the activity and letter(s) you would like to cover. Add the mats to a bin/tray along with the needed manipulatives. If you have any additional questions as always, feel free to email me at littlemindsatworkllc@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
