INSTANT CVC PRACTICE SHEETS

Thanks so much for downloading my INSTANT CVC Practice sheets freebie packet. This packet is designed to offer an engaging and FUN way to explore CVC words! This packet can be used during morning work, as a homework assignment, in-class phonics lesson, or used as supplemental literacy centers. The packet includes 20 CVC practice sheets. The practice sheets can be printed for quick use, laminated/placed in a binder sleeve for repeated use, or added to your digital learning classroom. A variety of sheets are included from isolating sounds within CVC words, writing missing sounds in CVC words, writing CVC words, and reading CVC word sentences. Below you can view the four versions in action.
