

A NOTE FROM TARA WEST

Thanks so much for downloading the free Hands-On and Engaging Learning packet: Phoneme-Grapheme Mapping Mats. This packet offers 12 skill levels of the hands-on and engaging mapping mats. These mats can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent literacy center, and/or at-home supplement. Students will be given a word orally. They will say the word, count the sounds in the, and then map the word. Follow-up by having students write the word. If you have any additional questions, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on Facebook, or visit my blog, [Little Minds at Work](#).
