

A NOTE FROM TARA WEST

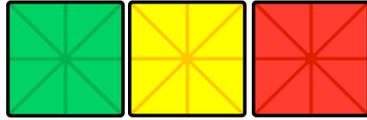

Thanks so much for downloading my free Guided Phonics + Beyond supplemental packet: Tile Line Up Cards. This packet offers 184 cards covering CVC words, digraphs, blends, and CVCE words. These cards can be used in multiple settings: whole-group instruction, small-group instruction, and/or an independent literacy center. Students will say the word, tap the sounds in the word, map the sounds by lining up the tiles, and then write the matching word on the card. Optional: Write the letter for each sound directly on the tile. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on Facebook, or visit my blog, [Little Minds at Work](#).
