

## ■ A NOTE FROM TARA WEST

Thanks so much for downloading my free Guided Phonics + Beyond Unit 3 Continuous Blending cards. This packet offers 136 cards. Students state the first sound and stretch the second sound. Next, students state the first sound, stretch the second sound, and state the final sound. Then, students state all three sounds. These cards can be used during your whole-group phonics instruction, small-groups, intervention, or as an independent center option for students to work on fluency of decoding words. If you have any additional questions as always, feel free to email me at [littlemindsatworkLLC@gmail.com](mailto:littlemindsatworkLLC@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
