

■ A NOTE FROM TARA WEST

Thanks so much for downloading the free Hands-On and Engaging Learning packet: Drive the Sounds Fluency Cards. This packet offers over 1,200 hands-on and engaging fluency task cards. These fluency task cards can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent literacy center, and/or at-home supplement. Students will drive the car or manipulative along the road as they state each sound. Students will follow-up by writing the word. Students can be equipped with any type of car or manipulative. If you have questions, email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
