

A NOTE FROM TARA WEST

This is a set of 75 digraph, double endings, and beginning blend sound search it cards. These cards give students an opportunity to practice the words in a hands-on and engaging way. The students will get the opportunity to clip or cover the matching word. Students will have to clip or cover the corresponding word amongst the distractor words. A black and white version is included for budget saving prep. The cards can also be printed two or four sheets onto one sheet to save in ink and paper.
