

A NOTE FROM TARA WEST

Thanks so much for downloading my free Guided Phonics + Beyond supplemental packet: Digraphs and Blends Listen + Clips Cards. This packet offers 215 digraphs and blend cards. These cards can be used in multiple settings: whole-group instruction, small-group instruction, independent literacy center, and/or at-home supplement. Students will say the word, note the sound typed onto the card, and then identify where in the word the sound is found and clip it. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on Facebook, or visit my blog, [Little Minds at Work](http://LittleMindsatWork.com).
