

CVCE Assessments AND TRACKERS

CVCE Assessment and Trackers

What are the CVCE Assessment and Trackers?

Thanks so much for showing interest in my CVCE Assessment and Trackers. This packet can be used to progress monitor your students in CVCE words. This packet contains 5 CVCE assessments and trackers. Students will be assessed on long a, long i, long o, long u, and mixed long vowel assessment. Students will have to write to oral listening words, write matching CVCE words, circle the matching CVCE words, read CVCE words, and read CVCE sentences. There are answer keys included as well. If you have additional questions about this packet, you can reach out to me directly at littlemindsatworkLLC@gmail.com
