

A NOTE FROM TARA WEST

Thanks for downloading the free Guided Phonics + Beyond Chip and Swipe Cards. This packet offers 250+ fun and engaging “chip and swipe” cards. Students will spell the word using the bingo chips. You can also use “plain” bingo chips. Students can swipe at the word as they read it. These cards can be used in multiple settings: whole-group instruction, small-group instruction, and/or independent literacy center. These cards pair to the **Hand2Mind magnetic wands**, **hand2mind Readiness Kit**, and **Hand2Mind alphabet bingo chips**. Words are typed in the lower left of cards. If you have questions, email littlemindsatworkLLC@gmail.com, follow me on Facebook, or visit my blog, [Little Minds at Work](#).
