CVCE Handwriting Mats

What are the CVCE Handwriting Mats?

Thanks so much for showing interest in my CVCE Handwriting Mats. This is a set of 5 CVCE Handwriting Mats. These mats give students an opportunity to practice writing CVCE words with their best penmanship. The students will get the opportunity to spin the spinner to get a word to write. Students may use the included handwriting tips on the left side of the mat. A black and white version is included for budget saving prep. The mats can also be printed two to one sheet to save in ink and paper. If you have additional questions about this packet, you can reach out to me directly at littlemindsatworkLLC@gmail.com
