HANDS-ON AND ENGAGING

Ending Blends + R-Control Match and Grab Game

What is the Ending Blends and R-Control Match and Grab Game?

Thanks so much for showing interest in my Ending Blends and R-Control Match and Grab Game. The game offers three differentiated versions of the playing cards: word/picture, word only, and picture only. You will choose between the three versions for the version that best fits your students. You will need to watch [THIS](#) video on how to play the game or click on the computer below to watch. A black and white version is included for budget saving prep. The game cards can also be printed two to one sheet to save in ink and paper. If you have additional questions about this packet, you can reach out to me directly at littlemindsatworkLLC@gmail.com
