HANDS-ON+ENGAGING

Ending Blends + R-Control Word Puzzlers

What are the Ending Blends + R-Control Word Puzzler Cards?

Thanks so much for showing interest in my Ending Blends + R-Control Word Puzzler Cards. This is a set of 100 ending blends and r-control sound puzzler cards. These cards give students an opportunity to practice ending blends + r-control words in a hands-on and engaging way. The students will get the opportunity to match the onset and rime of each word. A black and white version is included for budget saving prep. The cards can also be printed two or four sheets onto one sheet to save in ink and paper. If you have additional questions about this packet, you can reach out to me directly at littlemindsatworkLLC@gmail.com
