Nonsense/Real Word Roll and Read Sheets

A NOTE FROM TARA WEST

Thanks so much for downloading my Guided Phonics + Beyond supplemental packet: Nonsense/Real Word Fluency Pages. This packet offers 100 sheets designed to offer an engaging way to practice nonsense words for units 2-6. Students will roll the dot cube and read a single nonsense/real word or read an entire row of nonsense/real words. The sheet can be placed into a dry-erase sleeve for repeated practice in a writing center or small-group environment. If you have any additional questions as always, feel free to email me at littlemindsatworkllc@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
