

Guided Phonics + Beyond Rime Builders

Thanks so much for downloading my free Guided Phonics + Beyond Rime Builders packet. This packet is designed to offer an engaging and FUN way to explore onset and rime across a variety of phonics skills! This packet can be used as an in-class phonics lesson, small-group learning, or used as supplemental literacy center. The students will match multiple onsets (letter cards) to the rime mats. If using for an independent ELA center, you can add in the corresponding recording sheet for accountability.

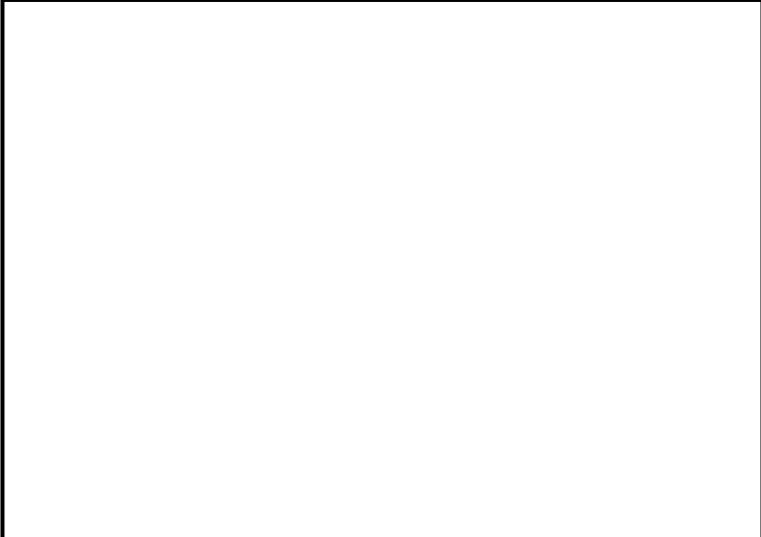

If you have any additional questions as always, feel free to email me at littlemindsatworkllc@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
