

## A NOTE FROM TARA WEST

This is a set of 100 vowel team and diphthong sound search it cards. These cards give students an opportunity to practice the words in a hands-on and engaging way. The students will get the opportunity to clip or cover the matching word. Students will have to clip or cover the corresponding word amongst the distractor words. A black and white version is included for budget saving prep. The cards can also be printed two or four sheets onto one sheet to save in ink and paper. If you have additional questions about this packet, you can reach out to me directly at [littlemindsatworkLLC@gmail.com](mailto:littlemindsatworkLLC@gmail.com)
