

■ A NOTE FROM TARA WEST

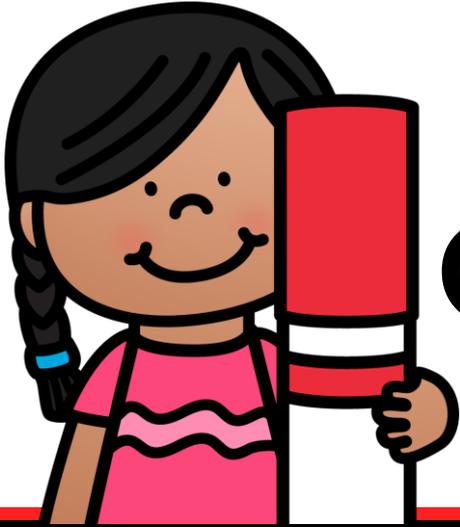

Thanks so much for downloading the free *Guided Phonics + Beyond* supplemental packet: *Handwriting task cards*. This packet offers 250 hands-on and engaging task cards. These task cards can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent literacy center, and/or at-home supplement. Students will say the skill-based word and then trace/write the matching word with their best handwriting. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
