

A NOTE FROM TARA WEST

Thanks so much for downloading the free Phonics-Based Decodable Word Cards. This packet offers nearly 2,000 phonics-based decodable word cards. These decodable word cards can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent literacy center, and/or at-home supplement. The decodable word cards are color coded by skill for easy implementation and storage. Use the decodable word cards loose or on a ring for quick fluency review. If you have any additional questions as always, feel free to email me at littlemindsatworkLLC@gmail.com, follow me on Facebook, or visit my blog, [Little Minds at Work](#).
