

HOW TO

WRITING TEMPLATES

How to Writing Freebie

Thanks so much for downloading my freebie how to writing story starters. These can be used in your whole group writing lessons. You can also use these story starters in your work on writing folders while students are independently writing. These are simply print and go templates! You can choose between the two versions...one which displays the transitional word and one that does not. I hope you enjoy this packet and as always if you have questions feel free to email me at littlemindsatworkLLC@gmail.com. Thanks so much!
