PRINTABLES

**PHONICS-BASED**

## A NOTE FROM TARA WEST

Thanks so much for downloading the Hands-On and Engaging skill-based Say It! Find It! Write It! packet. This packet includes 145 skill-based decode to encode printables. The Say It! Find It! Write It! printables can be used in multiple settings: whole-group phonics instruction, small-group phonics instruction, independent literacy center, intervention lessons, and/or at-home supplement. Students will say each word, decode the options, circle the matching letter or word, and write the letter/word independently. Place the Say It! Find It! Write It! printables in a dry-erase sleeve and use a dry-erase marker for repeated practice. If you have any questions as always, feel free to email me at [littlemindsatworkLLC@gmail.com](mailto:littlemindsatworkLLC@gmail.com), follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
