**Reader Certification:** Students will receive a reader certification badge once they get certified in the area. Encourage a set of expectations to become certified. Model the expectations and circulate the classroom to check in on students. Redirect students that are not meeting expectations with additional modeling. The certificates can be printed on plain paper (allowing students an opportunity to color) or printed on colored printing paper.

**Writer Certification:** Students will receive a writer certification badge once they get certified in the area. Encourage a set of expectations to become certified. Model the expectations and circulate the classroom to check in on students. Redirect students that are not meeting expectations with additional modeling. The certificates can be printed on plain paper (allowing students an opportunity to color) or printed on colored printing paper.

**Alphabet Certification:** Students will receive an alphabet certification badge once they get certified in the area. Encourage a set of expectations to become certified. Model the expectations and circulate the classroom to check in on students. Redirect students that are not meeting expectations with additional modeling. The certificates can be printed on plain paper (allowing students an opportunity to color) or printed on colored printing paper.

**Numbers Certification:** Students will receive a numbers certification badge once they get certified in the area. Encourage a set of expectations to become certified. Model the expectations and circulate the classroom to check in on students. Redirect students that are not meeting expectations with additional modeling. The certificates can be printed on plain paper (allowing students an opportunity to color) or printed on colored printing paper.

**Mathematician Certification:** Students will receive a mathematician certification badge once they get certified in the area. Encourage a set of expectations to become certified. Model the expectations and circulate the classroom to check in on students. Redirect students that are not meeting expectations with additional modeling. The certificates can be printed on plain paper (allowing students to color) or printed on colored printing paper.

**Reader Crown:** The crowns can be printed on plain paper (allowing students an opportunity to color) or printed on colored printing paper. The crowns will be attached to sentence strips or 2 inch strips of paper. Trim and staple the strips to each child's head.
