

■ A NOTE FROM TARA WEST

Thanks so much for downloading my Digraphs, Double Endings, and Blends Match and Grab Game. The game offers three differentiated versions of the playing cards: word/picture, word only, and picture only. You will choose between the three versions for the version that best fits your students. You will need to watch [THIS](#) video on how to play the game. The game cards can also be printed two to one sheet to save in ink and paper. If you have additional questions about this packet, you can reach out to me directly at littlemindsatworkLLC@gmail.com
