

■ A NOTE FROM TARA WEST

Thanks so much for downloading the free Hands-On and Engaging Learning packet: Isolated Sounds Task Cards. This packet offers 45 hands-on and engaging task cards. These task cards can be used in multiple settings: whole-group instruction, small-group instruction, intervention group, independent literacy center, and/or at-home supplement. Students will identify if the sound is found at the beginning (green) sound, middle sound (yellow) or the ending (red) sound. Students can be equipped with any type of green, yellow, and red manipulatives to make the tasks hands-on. If you have questions, email me at littlemindsatworkLLC@gmail.com, follow me on [Facebook](#), or visit my blog, [Little Minds at Work](#).
